Agenda Item No. A-2

Selectboard April Meeting Dates

Summary: A couple members of the Stowe Selectboard cannot attend your regularly scheduled April 22 meeting. On March 11, the Selectboard tentatively agreed by consensus to hold a meeting on April 15.

Depending on the volume of business that may need to come before the Selectboard, it may be prudent to also reserve April 29 as a tentative date for a Selectboard meeting. Due to how the calendar falls, your first meeting in May isn't until May 13. Having a meeting on April 8, April 15, April 29, and May 13 would generally leave two weeks between meetings.
